#### GIRL IDENTIFIES ALLEGED ASSASSIN

Frank Greathouse Charged With Killing Mrs. Bailey and Assaulting Two Children.

PRISONER QUICKLY REMOVED.

Eliza Bailey, Victim at Alton, Recomes Conscious Long Enough to Cause Powder Man's Arrest.

Upon information furnished by Miss Eliza Bailey, the daughter of Augustus Bailey, Sheriff G. Frank Crow and Chief of Police John Maxwell of Alton yesterday ar-rested Frank Greathouse, an employe of the Equitable Powder Company, at East Alton, charged with the murder of Mrs. Bailey and the attempt to kill the daughter, Eliza, and the young son.

The assault was made upon the three members of the Balley family as they were returning home in a buggy near East Alton. The mother died the following day at St. Joseph's Hospital in Alton and not until yesterday morning did the daughter recover sufficiently to give any account of the af-

When the hospital attendants found that the girl was better, they sent for Sheriff Crow and Chief of Police Maxwell, and the girl made the following statement:

"I saw the man and had a good look at him when he stepped up to the buggy at the ferry. He had been trying to quarrel with me for a long time. His first name with me for a long time. His first name was Frank, and he worked at the powder mills, and when I would go there he would always step up to me to see what I wanted. "Thursday night he came to where we had the skiff and were hiring it out to boys and girls. When I was ready to go home he wanted me to stay, and offered me a half dollar to let him have the skiff trenty minutes. I told him no, and said I was going home. He began quarreling about it and Mr. Brown ordered him to stop. I put the skiff away and started to go with my mother.

mother.
"Mamma put our money in the pocketbook under the seat of the buggy, and we started away. When we came near the hill at Job's place, I saw some one coming and told mamma we were being followed. She said she hoped not, and I said I did, too. IDENTIFIED GREATHOUSE.

"Then the man came up to us, and it was the same one I had the trouble with at the boat, and bafore at the powder mills. He was always quarreling about me. He stepped up to the buggy and dragged mamma out, and then everett and I. He said he would be the end of us all, and I begged him not to hurt us. He struck us with his fists, but I do not know whether he had anything in his hand."

Upon the information the officers went to East Alton, where they found Greathouse working at the powder-mills. He was taken at once to St. Joseph's Hospital, and when he entered the room Miss Bailey identified him as the man she meant.

She was still very nervous while making the statement and identifying Greathouse. In making her statement she frequently repeated, and at times her words were spoken with difficulty.

Her condition is still critical.

As soon as Greathouse had been taken before the girl he was sent to Edwardsville by Sheriff Crow, where he was lodged in the Madison County Jali for safe keeping.

The feeling at East Alton over the crime is intense, but it is not thought that any attempt at violence will be made by the residents of that village.

Greathouse is 30 years old and has been living at East Alton for two years, being employed at the powder factory the greater part of the time. He says he came here from near Brussels, Calhoun County, Ill. He is 5 feet 7 inches tail and well built. The acquaintance of Greathouse and the girl began at the powder works, where both weie employed.

Greathouse was visited yesterday afternoon by numerous acquaintances from East Alton, who were in Edwardsville as witnesses in a damage suit brought by Z. B. Job, against the Equitable Powder Company.

the Army. REPUBLIC SPECIAL.
Waco, Tex., June 23.—The Elks closed their State convention with a ball to-night. The only important business transacted today was the election of John A. Ewton of Dallas general of the Army of Elks, and separating the army from the regular af-

fairs of the order.
The president of the Benevolent and Pro-

tective Order of Elks will be commander in chief of the army, bearing the same re-lation as does the President of the United States to the army of the United States.

DeWitt Forfeits Bond.

Judge Adams yesterday ordered forfeited the cash bond furnished last March by L. E. DeWitt. who was arrested on a charge of using the mails to defraud in connection with a matrimonial bureau scheme. DeWitt has failed to answer for trial, and the court instructed the United States Marshal to pay into the United States Subtreasury, to the credit of the Government, the amount of the bond, \$500.
